

## Wisconsin Institute for Healthcare Systems Engineering

UNIVERSITY OF WISCONSIN-MADISON

### Register Today for WIHSE 2018 Conference

Register today for the 2018 WIHSE Conference! The highly interactive conference will feature unique opportunities for you to interact with speakers on the stage, as well other researchers in the room. Dr. **David Bates**, Senior Vice President and Chief Innovation Officer for Brigham and Women's Hospital, will be the keynote speaker. Don't miss the opportunity to hear from external stakeholders and experts at the forefront of healthcare systems engineering. Check the webpage for announcements of new speakers: <https://wihse.engr.wisc.edu/wihse-2018-conference/>

### Pascale Carayon Quoted in *Politico's* Morning eHealth Daily Report

Dr. Carayon was quoted by [Politico](#) in their website's daily report on the intersection of healthcare and technology. "We need to figure out what [are] the redundancy, error recovery mechanisms that we're going to use when [a routine] doesn't exist in a particular context," said Pascale Carayon during the AHRQ National Web Conference on Reducing Provider Burden through Better Health IT Design, and later quoted by Politico.

---

### Congratulations to Nicole Werner on Two New Publications

WIHSE would like to congratulate Nicole on these two new publications:

- [Performance-Shaping Factors Affecting Older Adults' Hospital-to-Home Transitions](#) in Gerontologist
  - [Underreporting of Gender and Race/Ethnicity Differences in NIH-Funded Dementia Caregiver Support Interventions](#) in American Journal of Alzheimer's Disease & Other Dementias
-

## WIHSE's RFA/PA Document Updated with New Opportunities

WIHSE's [RFA/PA](#) page is regularly updated with new opportunities, so check back regularly. Some of the new opportunities that were recently added include:

- [Targeted Implementation Science to Achieve 90/90/90 Goals for HIV/AIDS Prevention and Treatment \(R21 Clinical Trial Optional\)](#)
- [Strategies to Increase Delivery of Guideline-Based Care to Populations with Health Disparities \(R01 Clinical Trial Optional\)](#)
