

Wisconsin Institute for Healthcare Systems Engineering

UNIVERSITY OF WISCONSIN-MADISON

WIHSE awarded planning grant from NSF to develop an “Engineering Research Center for Healthy and Safe Aging”

This planning grant will last one year and will be under the direction and leadership of Pascale Carayon, Jingshan Li, Hongrui Jiang, Beth Meyerand, and Jane Mahoney.

[WIHSE announces new Administrator, Teresa Thuemling](#)

Welcome (back) Teresa! Teresa was originally at CQPI until 2015 as the CQPI/SEIPS Operations Manager and Coordinator for the SEIPS Short Course. We are happy to have her back as our Administrator!

[Pascale Carayon receives IEA/Elsevier John Wilson Award at 2018 Triennial Congress of the International Ergonomics Association](#)

This award recognizes major contributions in the field of applied ergonomics, either a specific study or project on applied system design or significant advances in ergonomic design and research.
