

## Wisconsin Institute for Healthcare Systems Engineering

UNIVERSITY OF WISCONSIN-MADISON

### [The Quality & Safety Improvement Student Lab highlights Oguzhan Alagoz](#)

Read about Professor Oguzhan Alagoz, WIHSE Associate Director, who serves as the faculty director for the Quality & Safety Improvement Student Lab. Visit the QSI Student Lab website to learn more about what they do: <https://qsi.engr.wisc.edu/> or follow them @QSILabUW.

---

### [Megan Salwei publishes paper on team adaptation to complexity in the VTE prophylaxis process](#)

Congratulations WIHSE graduate student, Megan Salwei, for publishing her first of many first-author papers! Check out the new paper using social network analysis to understand team adaptation to complexity in the VTE prophylaxis process. Social network analysis can improve consideration of teams and processes in the design of health IT!

---

### [WIHSE represented at UW Madison 2019 Showcase](#)

Teresa Thuemling, WIHSE administrator, presented a poster describing WIHSE and its objectives at UW Madison's 20<sup>th</sup> Annual Showcase at Union South on April 17<sup>th</sup>. The annual Showcase offers the opportunity to exchange ideas and create connections with hundreds of UW colleagues and community members.
